BOOKS AND DVD'S

HUNTING LABS – A Breed Above the Rest Photography by Denver Bryan; text by E. Donnell Thomas Jr. They boldly charge into the thickest cover, launch themselves into ice-laden water, face hardship with enthusiasm and pain with stoic composure. They do this not simply as a function of their breeding, but out of simple and deep devotion to their masters. That devotion is returned in this stunning word and picture tribute with over 130 beautiful color photos of Labs in action. Examines the history of Labs and chronicles their impressive traits and endearing foibles.
96 pages. **#1214 Hardbound**

RETRIEVER TRAINING by Robert Milner. Through gentle training methods learned from Ray Hunt. Milner shows how to pick and train a retriever by using its own natural tendencies. The result is a calm steady, and obedient companion – at home and in the field.
